EXIT

Recorded herein are the activities, hopes, expirations, (foibles?) and achievements of the Class of 1957 of New Winchester High School, all our schoolmates, and our faculty. We are told that our school days are the happiest and most care-free time of our lives. Here, our future memories are recorded and illustrated. We have the evidence documented, and the case of school days and our ability to enjoy them will stand or fall on this proof. Be our guest.

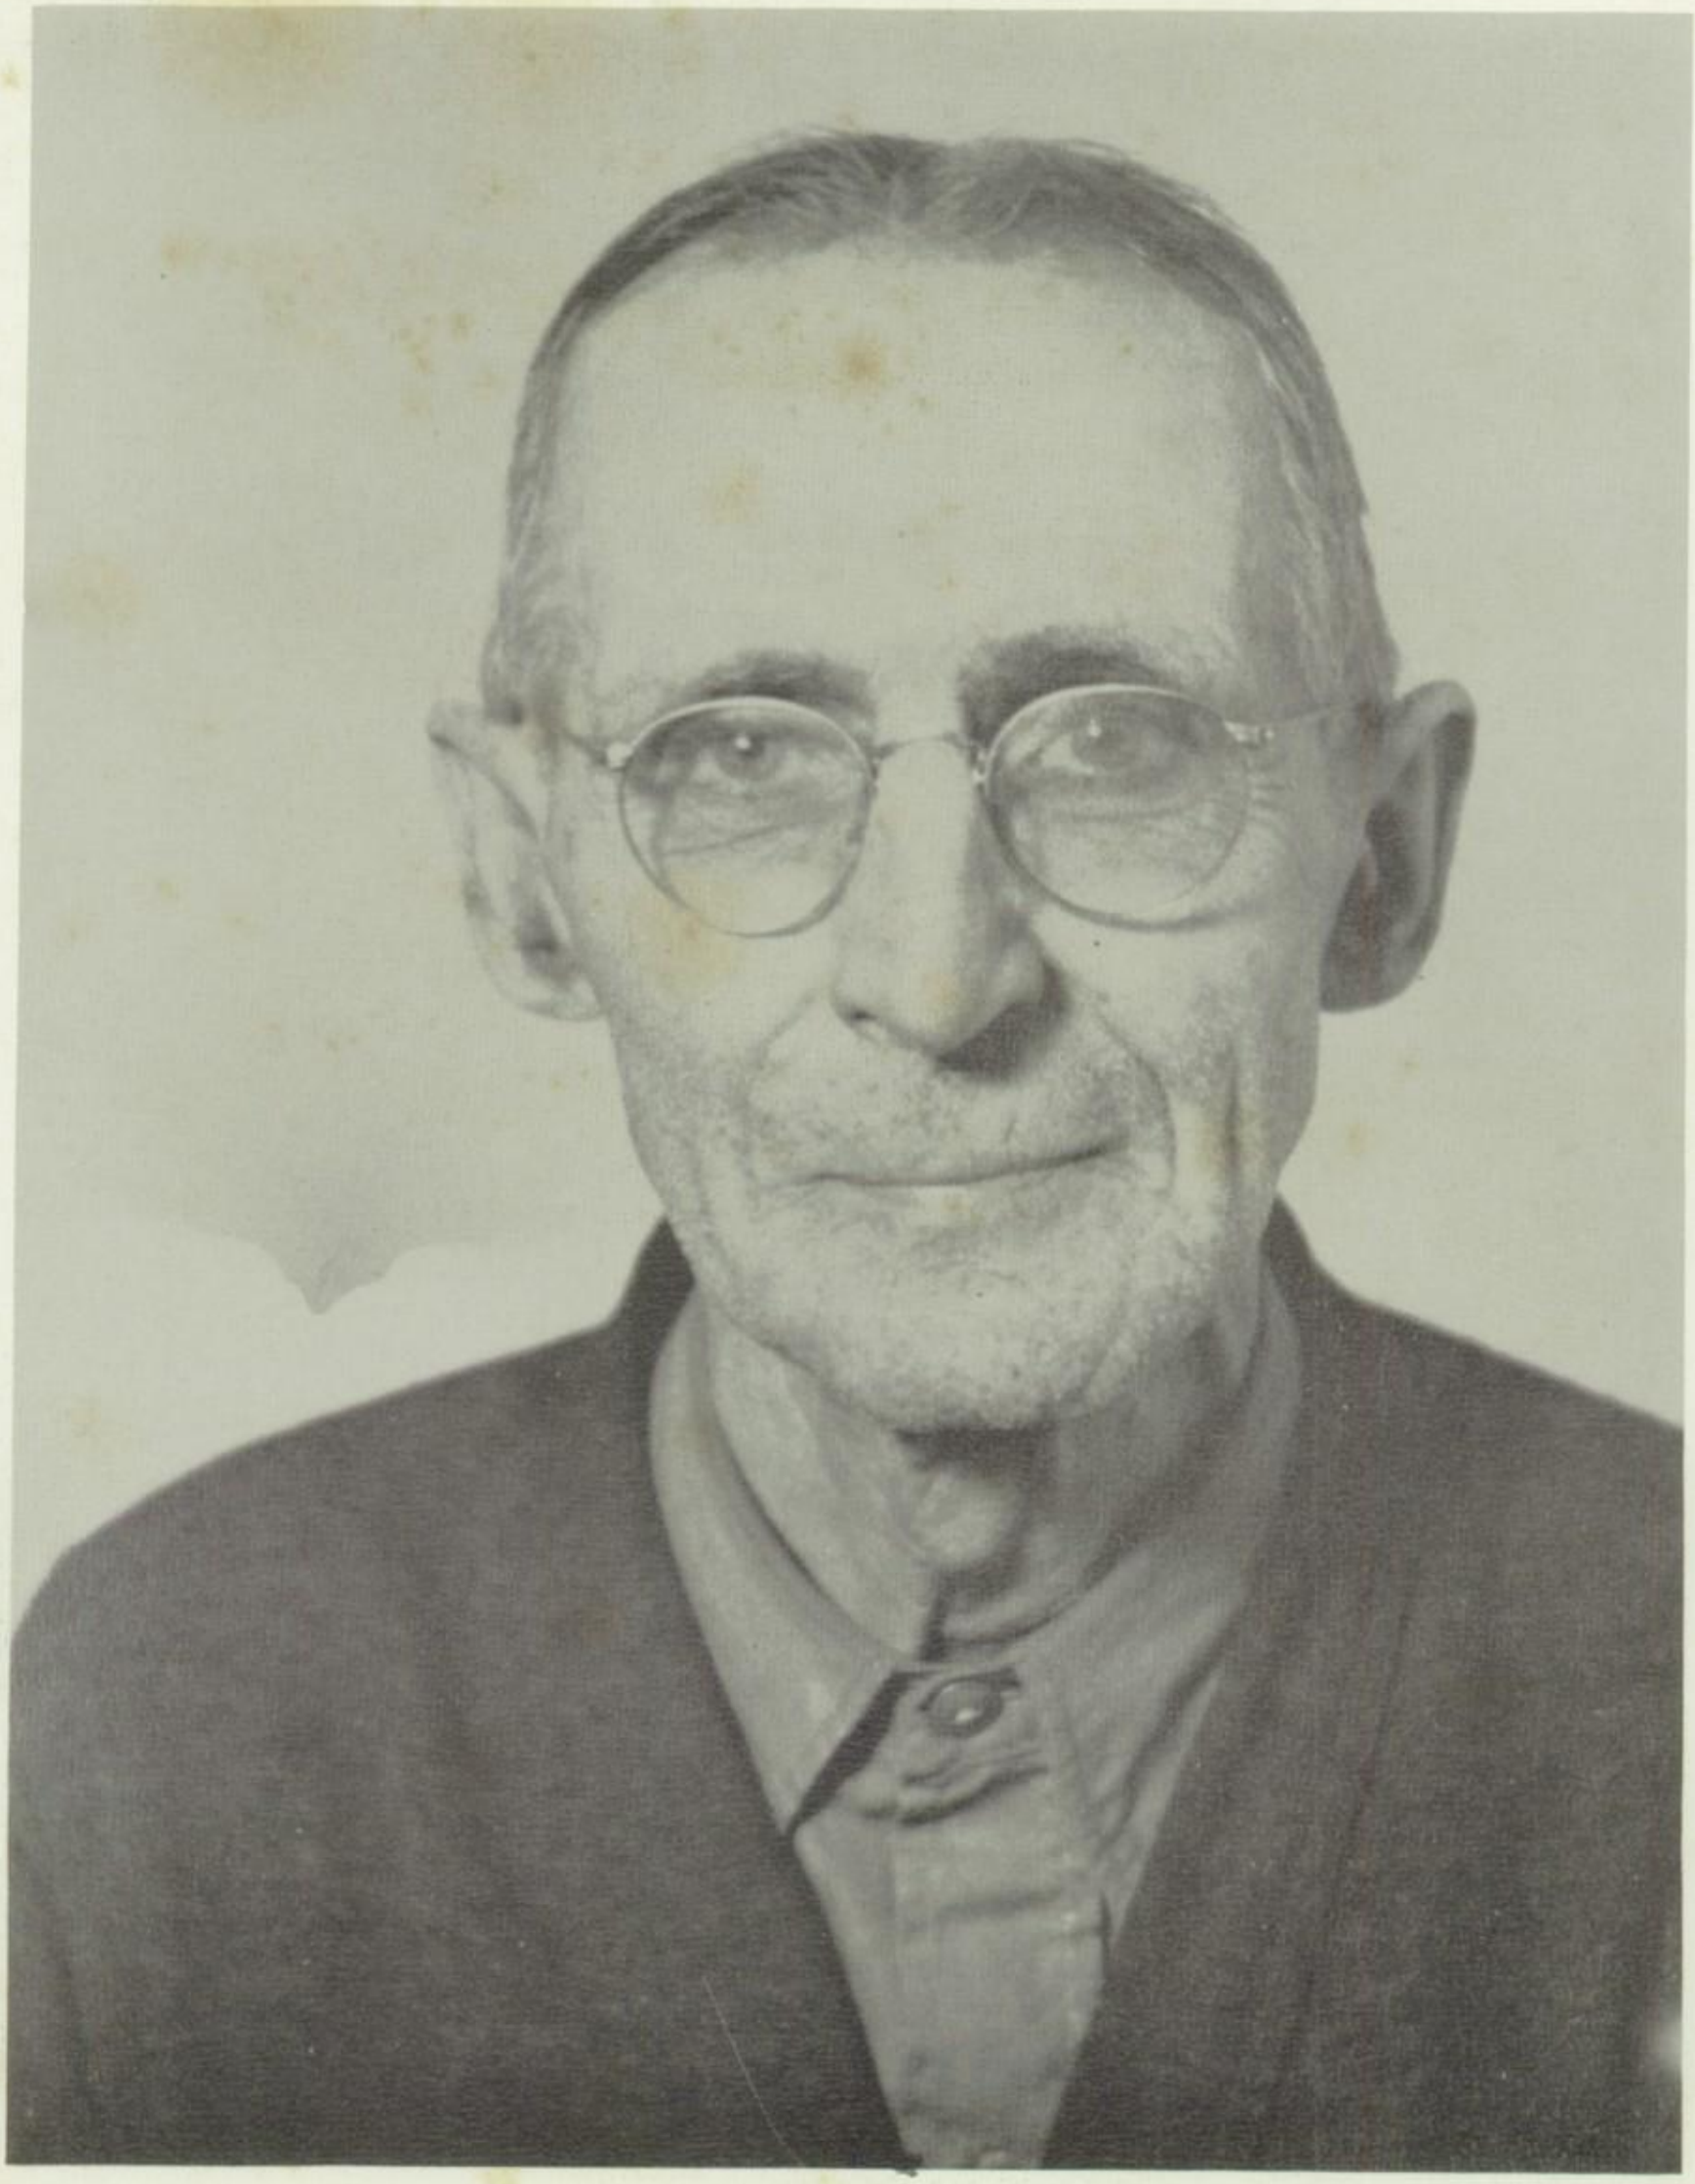
The members of the graduating class of 1957, New Winchester High School, being appreciative of our association with him, dedicate our edition of the Warrior to Mr. Charles Russell Kirts, who is our co-sponsoror and principal.

Mr. Kirts has our respect as he says what he means and means what he says. He has our admiration as his integrity is above question. He has our loyalty, as his decisions are based on our best interests. In all our associations with him, as teacher, sponsoror, and principal, his sense of humor has made us like his discipline which kept us in line.

We know the entire community joins us in this expression of our sincere affection.



This page is dedicated in memory of Ollie Cassity.

Ollie first came to this school as the janitor in 1925. For thirty-one years Ollie dedicated his time and life to our school. Ollie kept the building clean and ready for each day's use. His evenings were usually spent helping the different organizations and classes to put on their activities as well as possible or cleaning up after some school activity.

His kind smile and words of encouragement as missed by all who knew and loved him.

This page is dedicated in memory of Jacqueline Leonard.

Jackie entered the first grade in this school in 1952 and attended her first four years here. In the summer of 1956 Jackie was hit by an auto and was fatally injured at her home while going after the mail. We wish to extend our deepest sympathies to Jackie's oldest brother, who is a member of our class, and to her family.

She is sadly missed by all of her schoolmates and friends.
